

THREE WAYS TO APPLY TO THE LONG TERM CARE SCHEME

Contact the SPOR

SPOR carry out care assessment

JOIN LTC SCHEME?

YES

SPOR pass basic info to the Long-Term Care team

GIVE YOUR FINANCIAL INFORMATION?

YES

Long-Term Care team completes financial assessment. This shows how much you can afford to contribute.

HOW MUCH ASSETS AND/ OR INCOME DO YOU HAVE?

SOME ASSETS OR INCOME

You might get some means-tested help towards your costs straight away.

The Long-Term Care team gives advice based on your income assets, savings and household expenses.

The Long-Term Care team tell you when you'll start to get standard benefit – typically starting in 1-3 years.

You pay for your choice of care with any approved provider. You pay for your daily living costs.

WANT TO BORROW FOR EXTRA COSTS?

You can ask the Long-Term Care team for an optional loan against your property.

The loan can help with your costs straight away. You'll get the standard benefit from Long-Term Care on a set date in the future. You'll need to contribute from your income but Long-Term Care lets you keep something to pass on.

You might get some means-tested help towards your costs straight away. You'll get the standard benefit from Long-Term Care at a set date in the future.

You'll need to contribute from your assets or income, but Long-Term Care lets you keep something to pass on.

NO

If your care needs are below the level of Long-Term Care, you can still apply for help from Income Support.

NO

If you choose not to give financial info, the Long-Term Care team tell you when you'll start to get standard benefit – typically starting in 1-3 years

You pay for your choice of care with any approved provider. You pay for your daily living costs.

3

Your choice of care, and you choose what to do with your assets and income.

You'll get the standard benefit from Long-Term Care at a set date in the future, but will continue to be responsible for your daily living costs and any extras you've agreed with care provider.

NO SIGNIFICANT ASSETS OR INCOME

SPOR will arrange a care placement for you. You're guaranteed a good, safe standard of care.

2

You'll get means-tested benefit from Long-Term Care straight away, and can get help with your daily living costs, but you'll have less choice about your care.
