Live animals will be transported in compliance with the CITES Guidelines for the Transport and Preparation for Shipment of Live Wild Animals or, in the case of air transport, the Live Animals Regulations published by the International Air Transport Association, UK.

For a full explanation about CITES, and for specific identification see www.gov.je and search 'CITES' or www.cites.org

Applications should be made as early as possible, Please allow AT LEAST 3 weeks for processing. Guidance notes on page 3

Information regarding the use of your personal data:

Before signing this form please read the following consent information carefully. It explains how your information will be used and provides a brief description of your rights under Jersey's Data Protection Law. For further information on how the Department of the Environment handles personal data please visit <http://www.gov.je/howweuseyourinfo>

I am aware and agree that the personal information I have supplied in this form, together any other personal information held within the accompanying documents will not be disclosed to anyone outside of the States of Jersey, other than because of a legal requirement, and you will only do so, where possible, after you have ensured that sufficient steps have been taken by the recipient to protect my personal data.

Under Jersey's Data Protection Law you have the right to withdraw your consent to the further processing of your information. However, this may cause delays or prevent us delivering a service to you or may mean that you are in breach of legal requirements.

I declare that this application is made with my authority. I am aware that it's an offence to submit false or misleading information with an application. I declare that an application for a permit/certificate for the above specimens was not previously rejected.

I am aware and agree to the information supplied in this form, together with any other accompanying information, to be used for the purpose(s) of processing the licence/certificate if approved and keeping a database of the species imported/exported for the purpose of reporting these numbers to the CITES secretariat. Your personal data will not be shared with any person(s) outside the States of Jersey.
