Lodgers

A lodger is a person / persons staying in your property who is paying rent and is not part of your household.

To ensure our findings represent everyone we need to survey members of the whole population. It is important that people in lodging accommodation have the opportunity to take part in the survey, so please can you indicate if there are any lodgers living at your address.

We can then send a questionnaire(s) for your lodger(s) to fill in.
