Summary

The Regulation of Care (Jersey) Law 2014 (the “2014 Law”) provides a framework for the regulation of health and social care in Jersey. It is envisaged that the 2014 Law will come into force in late 2018, once the States Assembly had debated associated Regulations¹ including:

- c. fees associated with applying for a variation on conditions of registration and;
- d. miscellaneous fees including replacement registration certificates and provision of paper copies of reports.

The attached reports sets out the proposed fees, provides information on the factors that have been taken into consideration when developing those fees and draws comparisons other jurisdictions.
