Telephone:

Mobile:

Post Code:

E:mail:

6. Property or land owner name and address

Contact:

Telephone:

Mobile:

Post Code:

E:mail:

7. Description of the proposal

Give a clear and concise description of the proposed work, itemising any revisions to a previous application

8. How will foul sewage be disposed of?

Public main sewer

Septic tank

Cess pit / Tight tank

Packaged treatment plant

Other

If disposal is not via public main sewer, you'll need to submit a foul sewer assessment

9. How will surface water be disposed of?

Sustainable drainage system

Public main sewer

Existing watercourse

Pond / lake

Soakaway

All on-site private drainage is required to conform to the requirements of the Drainage (Jersey) Law 2005

10. Does the proposal affect a listed building or place?

Yes

No

If 'yes' does the proposal involve internal works, external or both?

Internal

External

Both

You may need consent under Article 54 of the Planning and Building (Jersey) Law 2002. We'll advise you if this is the case once we have reviewed your submission.

11. Replacement windows and doors

How many replacement windows and doors are you applying for?

Windows

Doors

Provide the details of replacement windows and doors

	Existing windows and doors	Proposed replacement
Type eg: vertical, sliding sash, casement, top hung, tilt and turn		
Design eg: 12 pane, 4 pane		
Glazing eg: single or double glazed		
Material and finish eg: stained or painted timber, aluminium, PVC		
Features eg decorative horns, coloured glass		

12. Does the proposal make any alteration of a pedestrian or vehicular access, or increase the amount of traffic to and from the site?

Yes No

If 'yes' you'll need to show vehicular and pedestrian visibility splays on the submitted drawings and include the consent of the owner of all the land within the visibility splay.

How many parking spaces are proposed in total (including existing spaces)?

Does the proposal involve the loss of any on-street parking spaces?

Yes No

13. Wildlife

Does the proposal affect a species protected under the Conservation of Wildlife (Jersey) Law 2002?

Yes No

Does the proposal affect a priority habitat as defined within the Biodiversity Strategy for Jersey (2000) or the habitat of a species protected under the Conservation of Wildlife (Jersey) Law 2000?

Yes No

Does the proposal affect, or is it within 200 metres of, a site of special interest listed for its zoological, botanical, ecological, or geological interest?

Yes No

If 'yes' you'll need to submit a Biodiversity Impact Statement. If you're unsure or if you consider the proposal won't have an adverse impact on protected species, tell us why.

14. Site visits

Officers from the Government of Jersey may need to visit the site in order to make an assessment of the proposal during the processing of the application.

Is the site visible from public land?

Yes No

We usually attend the site during the processing of the application. We'll tell you when we've visited the site.

Would you prefer that we pre-arrange any site visit?

Yes No

If 'yes' provide details on how to make arrangements for the site visit.

DECLARATION

Important information

Before signing this form, read the following consent information carefully. It explains how your information will be used and provides a brief description of your rights under Jersey's Data Protection Law. For further information on how the department handles personal data visit www.gov.je/howweuseyourinfo

Applicant and Owner consent

I declare that this application is made with my authority. I am aware that it's an offence to submit false or misleading information with an application.

I am aware and agree to the information supplied in this form, together with any other accompanying information, being used for the purpose(s) of assessing my application for permission or consent as defined in the Planning and Building (Jersey) Law 2002.

I am aware of and agree that the information supplied in this form, together with any other accompanying information may also:

- be disclosed to other departments and relevant authorities so that you can consult with them about my application proposals
- be made accessible to members of the public so that they may comment on my application proposals
- be published in the local media and on your website as the information forms part of the planning register that is required by law to be made publicly available.

This includes my name, copies of any accompanying drawings, plans and supporting letters and documents. I understand that any personal sensitive information about me may be published or disclosed if it is imperative to the consideration of the application and in the public interest. I understand that all of the information I supply will be processed in accordance with Jersey's Data Protection Law.

Your rights

Under Jersey's Data Protection Law you have the right to:

- Withdraw your consent to the further processing of your information. However, this may cause delays or prevent us delivering a service to you or cause you to be in breach of other legal requirements
- Request that the processing of your personal data is restricted in instances where you believe the information being processed is inaccurate, out of date, or there are no legitimate grounds for the processing
- Challenge the accuracy of the information we hold about you and request that that it is corrected where necessary
- Complain about the way in which your personal data is being used
- Ask for a copy of the information we hold about you

Should you wish to exercise one of your rights contact +441534 445508 or planning@gov.je for further information.

Checklist for use in conjunction with P2 Householder form

This checklist is to assist you in identifying all the relevant information that needs to be submitted with your application. Information required by the policies of the Revised Island Plan 2014 are indicated in brackets.

A	Minimum Information Required	Yes	NA
	Location Plan		
	Existing and Proposed Site Plan		
	Existing and Proposed Floor Plans		
	Existing Elevations or photographs		
	Proposed Elevations or photomontages		
B	Additional Information that may be required	Yes	NA
	Biodiversity Survey and Report [Policy NE1]		
	Contaminated Land Survey [Policy GD6]		
	Design Statement [Policy SP7]		
	Foul Sewer Assessment [Policy LWM2]		
	Landscaping Details [Policy GD1]		
	Listed Building Assessment [Policy HE1]		
	Previous Decision Notice [Revised Plans, Vary Condition & Reserved Matters]		
	Structural Engineer's Report [for replacement buildings and conversions]		
	Trees and Hedgerows Survey / Arboriculture Implications [Policy NE4]		
	Ventilation / Extraction Statement [Policy GD1]		
	Wildlife Checklist [NE1/ NE2/ NE4]		
C	Minimum Information Required for Replacement Windows and Doors	Yes	NA
	All information required in part A above		
	Photographs clearly showing all windows subject to the application		
	Photographs showing all the windows in the whole façade of the building		
	Close up photographs of the windows with a ruler or tape measure in focus to assist in judging the size and profile of the window features		
	Drawings showing the existing windows to scale		
	A justification setting out why the windows cannot be repaired		
	Drawings of the new windows— elevations, cross section both vertically and horizontally which show the heads, cills, casements or sashes, box or solid frame and glazing. Elevations are required at a scale of 1:20, joinery details at 1:5, and glazing bar cross sections at 1:2. The manner in which the window opens should be indicated.
