Application for Eco Friendly parking permit

New Application or **Renewal** (please circle)

Name of Applicant: _____

Address: _____

Postcode: _____

Home Telephone Number: _____ Mobile Number _____

email address: _____

Registration Number of Vehicle: _____

Make: _____

EXACT Model: _____ Fuel Type _____

CO₂ emission of vehicle: _____ Hybrid: Y / N (*see explanatory notes*)

I wish to apply for an Eco Friendly Parking Permit for the above vehicle, **which is in my ownership**. I have read the attached Terms and Conditions (a copy is on the reverse of this form) and agree to be bound by them. I understand that if I **sell** this vehicle, I **must immediately surrender the permit** that has been issued. I understand that if I use the permit on any other vehicle with the reduced price paycards or season tickets the permit may be withdrawn and not re-issued. I understand that if any of the information supplied above is false or misrepresented the Permit issued will be cancelled and not re-issued. I also understand that by signing this form I am agreeing to Infrastructure, Housing & Environment sharing the registration number of my vehicle with other parties who provide parking services in conjunction with the Department.

Permit number issued:

Date permit / letter issued to applicant:

Issuing Officer:

Terms and conditions of the Eco Friendly parking permit

1. An Eco Friendly permit must only be used on the specified vehicle. If it is displayed on another vehicle, it will not be valid and will be considered to be misuse of the permit. This will result in the issuance of an Excess Charge Notice.
2. Misuse of the permit may lead to it being withdrawn and not replaced.
3. Lost or stolen permits must be reported immediately to the address on the application form attached.
4. In the event of the vehicle for which the permit is issued being sold, the permit must be returned to the issuing address immediately.
5. The permit (half price) is valid until 31 December each year (providing Scheme has been renewed by The Minister).
6. The reduced price paycards and season tickets are available from the Car Park Administration Office at Sand Street Car Park.
7. The reduced price paycards and season tickets can only be used by a vehicle which has been issued with, and is clearly displaying, a valid Eco Friendly Parking Permit. Any vehicle which is found using reduced price paycards or season tickets which has not been issued with an Eco Friendly Parking Permit, or is not displaying its Eco Friendly Parking Permit, will be liable to be issued with an Excess Charge Notice which will not be cancelled if appealed.
8. The issue of an Eco Friendly Parking Permit does not guarantee the holder to a parking place.
9. Should any details supplied in support of an application for an Eco Friendly Parking Permit subsequently be found to be false or misrepresented, the permit will be withdrawn immediately and not re-issued.
10. Details of the vehicle registration number will be shared with other parking service providers who are working with the Department.
11. The Minister for Infrastructure reserves the right to amend any or all of these Terms and Conditions at any time.
12. By completing this application form, I agree that all details supplied can be stored and used by the Transport Directorate of Infrastructure, Housing and Environment in accordance with the requirements of the Data Protection (Jersey) Law 2018.

13. Vehicles with free parking must display a yellow time disc to show time of arrival in all parking areas. Failure to do so will incur a parking charge.
14. Vehicle with free parking can only use Sand Street car park for a maximum of 3 hours with no extensions.
